# Standard First Aid and CPR Training Reminder

A big thank you to our ★ volunteers who help raise funds through the Rama Gaming House, we will be hosting our first Red Cross Standard First Aid course in partnership with NPEMA MedVents on Sunday, February 9. This is a blended course where registered cadets must finish an online portion at home before participating in the in-person portion at the Cadet Centre. To all the cadets who have registered, please remember to finish the online portion before coming on Sunday.

**Cadets who are signed up for this training should arrive at the cadet centre at 0845 ready to start class at 0900.** The weather looks like it might be interesting, so be sure to leave a little extra time.

\*Please be on the lookout for an email if we need to reschedule due to weather condition.

We will be announcing **another training day for the remaining cadets** (Red Star and Up) to complete their Standard First Aid and CPR training. Stay tuned to the website and your cadet's 365 email account for details.

## **Announcing Our New Band Sponsor!**

## 105 Streetsville Army Cadets is excited to announce our new Band sponsor: Main Street Music (Burrbeat Music).

We are grateful for the support that they will be providing and are looking forward to our first discounted shipment of books, supplies, and even a few new instruments.

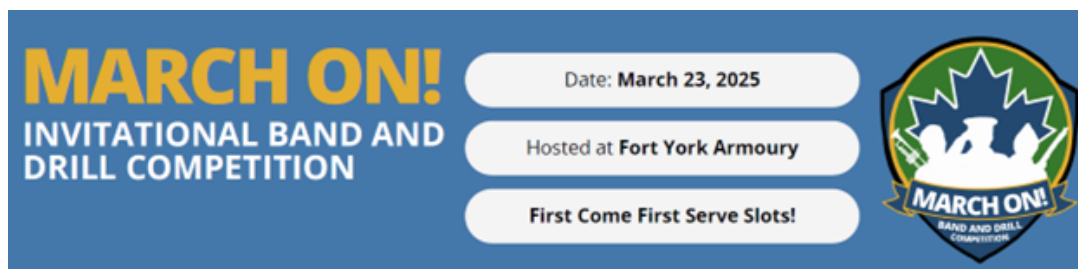

★ We would also like to thank our OLG/RAMA volunteers for their time volunteering at the RAMA Gaming House. We have used the OLG funding to improve the band program at 105 to ensure that our cadets have the instruments, equipment, and books they need to complete their Military Band levels this year.

Note: Main Street Music is in the process of rebranding to Burrbeat Music. Stop by their social media pages and follow!

## Canteen update

All funds raised by the canteen go directly back to support program opportunities for the cadets of Streetsville 105. Last month we raised over \$200!!

We would like to thank the parents that dropped off cookies and chips last month. They are always a popular item and disappear quickly. This month we added notebooks and pens in addition to a few more snack choices. Cadets can also buy blousing straps and cool CAF bracelets.

😊 We would like to thank the parents that dropped off cookies and chips last month. They are always a popular item and disappear quickly. This month we added notebooks and pens in addition to a few more snack choices. Cadets can also buy blousing straps and cool army bracelets.

**NEW.. if your cadet requires a name tag for their uniform, please have them drop by to submit their name. There is no cost for their name tag. We will place an order once we have a few on the list.**

## **OLG Rama Volunteers Update**

As you can see in the newsletter, we have a lot to thank our amazing ★ RAMA Gaming House volunteers for. We only have a few shifts per month, but they make an amazing difference to our cadet program.

- New band instruments, books, and equipment
- Red Cross Standard First Aid and CPR Certification
- Transportation to and from the March On Competition
- Amazing 105 Hoodies and T-Shirts

...and so much more.

 ★ **We need volunteers for the following dates:**

## In Search of...

### Co-Treasurer and Newsletter Editor

**Co-Treasurer** – The 105 Support Committee is in search of a Co-Treasurer. They will spend the remainder of the year working with our amazing treasurer, Audrey, and learning how to be as awesome as she is. This will be Audrey's last year of her term as Treasurer. 😞 We thought it would be best to have someone shadow for the remainder of the year so that they understand the inner workings of our accounting.

If you are someone who:

1. Is addicted to checking email/Whatsapp/text/Signal messages all the time
2. Loves dealing with rules and approaches them creatively
3. Gets a thrill from minding everyone's corps (financial) business
4. Does not mind using own credit card to make purchases for 105 (while collecting points)
5. Has time to park oneself in the office every Tuesday night and to write checks to reimburse everyone

THEN WE WANT YOU!

**Newsletter Writer/Editor** - Do you love to write and put together newsletters? We have an opening for a newsletter writer/editor. This is a fully remote position and does not require screening, unless you will be working from the Cadet Centre and interacting with cadets.
