## Range/Orienteering Day: Saturday, January 25, 2025

On Saturday, January 25, 2025 105 will hold an open Range and Orienteering Day at the cadet building from 0900 to 1600 hrs. The majority of cadets have not responded to their emails.

Range days allow cadets an extra opportunity to practice with the marksmanship air rifles. For orienteering, they will be doing a really cool geo-locating course through Streetsville using only a map and compass. A big thank you to our OLG volunteers for helping us fund our cool new vinyl maps of Streetsville.

- Dress: Issued FTUs and Parka (or warm civilian clothing - issued blue hoodie- and winter jacket).
- Cadets will cycle through range and orienteering so you will be outside for part of the training day.
- 🍕🍕 Pizza lunch will be provided.

**Deadline to sign-up is Friday, January 17, 2025**

**Parents – please remind your cadets to check their cadet emails and to sign-up by Friday! If they are not signed up they are not able to attend.**

## **Accessing Weekly Orders**

This information is also available on our website in the [weekly orders](#). This page is password protected, but if you send the AdminO an email [105Army@cadets.gc.ca](mailto:105Army@cadets.gc.ca) with the full name of your cadet, they will send you the password.

## **Red Cross Standard First Aid**

We are super excited to offer Red Cross Standard First Aid training to our senior cadets this year thanks to funding from the OLG (Thank you to our Rama volunteers!). The

program is now full, but we are hoping to have another offering later this year.

## Special Teams

**Drill team** was very excited to be back at practice this Monday! They are getting ready for competitions this spring. It's not too late to join drill team if cadets are still interested. Mondays at Vic Johnson Arena from 7pm to 9pm. Last chance to join the team will be January 28th. If you are interested, show up on Monday night!

**Marksmanship** is back in action for the new year. The team is preparing for competition in February. We wish them the best of luck!

**The Band program** is in full swing with students preparing for their Military Band Levels, spring competitions, and the Annual Ceremonial Review. This program includes musicianship, theory, and marching band, and is still accepting any new cadets interested in joining. The band meets on Sunday mornings at the Cadet Centre from 9am to 12pm. If you are interested, just show up!

# Canteen Donations

Through the generosity of our parent supporters, the canteen is open for business every Tuesday night. A great way to raise funds for cadet activities and opportunities, the canteen offers a wider range of snacks and drinks.

All funds raised by the canteen go directly back to support program opportunities for the cadets of Streetsville 105.

Parents, we would really appreciate it if you could contribute to the program by donating snacks or drinks to the canteen. Here are a few items that are popular with our cadets:

- Canned Crush Variety pack for pop
- Canned Coke
- Canned Dr. Pepper
- Sparkling Ice Water Variety pack
- Chips - Doritos and Lays variety packs
- Chocolate bars
  - The mini bars like what they hand out at Halloween

Thank you for your continued support and your generosity.
